

Application for Signs for Posting All-Terrain Vehicle Roads

Name of Local Government Agency _____
(Township or Municipality)

County _____

Address _____
Phone _____

Roads to be Designated as "All-Terrain (ATV) Roads." List Number and/or Name of Roads or portions of roads to be designated Joint-Use Roads where all-terrain vehicles share the road with other licensed motor vehicles:

Attach a map showing roads to be designated as ATV roads and indicate locations where signs will be placed.

Signs Needed:

Sign Description

ALL-TERRAIN VEHICLE ROAD SIGN (I12 – 1 – 1)
 Sign shall be installed at the beginning and end of the posted ATV road and 100 feet beyond intersecting streets and highways.

Number of Signs Needed

END PLAQUE (I12 – 1 – 3)
 To be placed above the All-Terrain Vehicle Road Sign (I12-1-1) to indicate the end of a designated ATV Road.

Have you taken official legal action (such as passing an ordinance) to designate the above roads as "ATV Roads"? (attach a copy of the official legal action) Yes Date of legal action: _____
 No

Do the above roads connect with designated ATV trails on State Forest or the Allegheny National Forest?

Give a brief description of how these roads will tie in with other ATV roads and trails and the length of the trail system involved as well as other pertinent information about why these roads have been designated.

I certify that these ATV signs will be used in posting joint-use ATV roads in _____
_____ (Township, Borough, etc.) of _____ County, Pennsylvania
and that the signs will be posted in accordance with Pennsylvania Department of Conservation and Natural Resources' Rules and Regulations, Chapter 51, ATV Regulation and Operation. I further certify that I am an official of the above mentioned governmental agency, with signature authority, and that the roads to be designated fall under your jurisdiction.

Have you attached a copy of the legal action?

Signature Date

Print Name

Title

Have you attached a map showing sign locations?

The Department of Conservation and Natural Resources, Recreation Section, will supply the signs for posting ATV roads. The governmental agency will be required to supply the sign posts and install the signs. The government agency (township or municipality) will be notified when their sign order is complete and that agency will then be responsible for retrieving their signs from the following location:

Penn Nursery
DCNR – Bureau of Forestry
137 Penn Nursery Road
Spring Mills, PA 16875
814-364-5150

Return the completed form and attachments to:

**Bureau of Forestry
Recreation Section
P.O. Box 8552
Harrisburg, PA 17105-8552
